

# *Pittsburgh Symphony Orchestra*

The Pittsburgh Symphony and the Bethel Park Music Department are excited to join together to offer an exciting musical experience to the students of the Bethel Park School District and the Bethel Park Community. The Pittsburgh Symphony will be providing an educational outreach program to students at Independence Middle School where a few Symphony Members will work with the students in both the Orchestra and Band Programs. They will provide clinics on playing technique and positive feedback on the students' playing. The students will also get to experience a performance by a Symphony Member. There is also the possibility that Lars Vogt, a World-Renowned Pianist, may come to Bethel Park and perform for the students. In addition to this wonderful opportunity, The Pittsburgh Symphony will be offering discounted tickets for a Sunday afternoon concert at Heinz Hall on February 12, 2012 at 2:30 p.m. Although the out-reach program is being based at Independence Middle School, all students in the Bethel Park School District are encouraged to consider attending the concert. Those who attend the concert will not only enjoy the music, but will have a private reception afterwards with the Pittsburgh Symphony Conductor, Guest Artist, and Symphony Musicians. It is highly suggested that all students and their families attend this concert. It is going to be a wonderful experience! *Please note that students must be accompanied by a parent(s) at the concert and transportation will **not** be provided by the school district.*

Please fill out the form below and send it to:
